

Once your Cdiscount account is activated, you will dispose of your Cdiscount API Credentials. Your API Credentials (login and password) are as follows :

**Login API:** your seller login followed by "-api" (i.e. : if your Cdiscount login is "bestshop", your API login is "bestshop-api")

**Password API:** is your default password account on Cdiscount

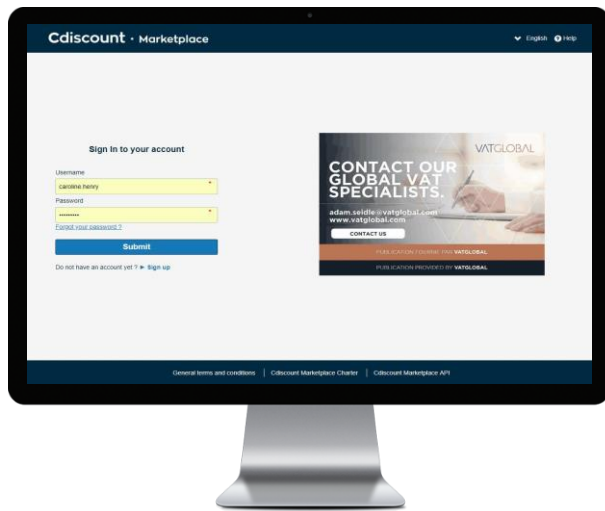

Enter your Cdiscount APIs on IMN!

Step 1 Login into [www.imnnow.com](http://www.imnnow.com)

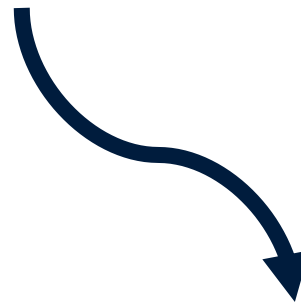

Step 2 Enter your APIs in your IMN Overview, at the Cdiscount logo box. Whether Cdiscount is your home marketplace, or one of your target marketplace, the APIs are retrieved as explained above.

Please use the section below in the case you need to change or reset your Cdiscount API password

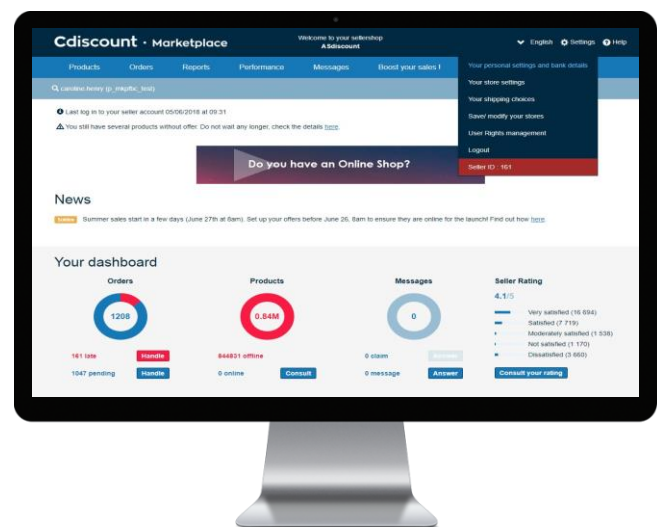

## Step 1

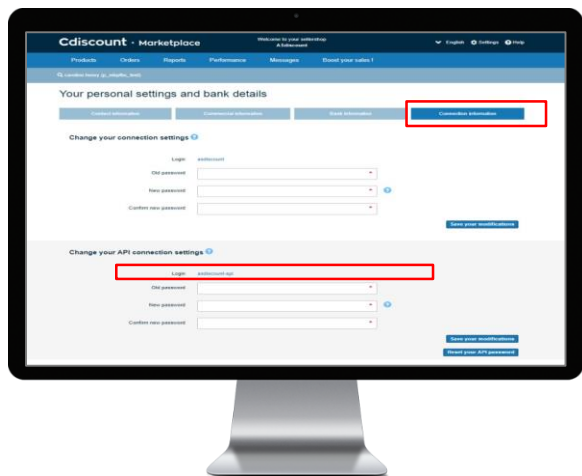

- Connect to your **Cdiscount Seller Login Page**
- Website address : <https://seller.cdiscount.com/login>

## Step 2

- From your **Home Page**
- Click on the tab “Setting”
- Select “Your personal Settings & Bank details”

## Step 3

- Click on the last Tab “Connection information”
- You can find here on the section “Change your API connection settings” -> Your API login

**Note :** *If you do not see this menu entry, it could mean that your account on Cdiscount/Octopia is not fully validated yet. We therefore invite you to contact the Marketplace directly to finalize the approval process.*

## \* If you need to reset your API :

- You can also reset your API Password
- !** Warning : if you change it, just remind that we will have to update all the solution/tool using Cdiscount API (as your aggregator)
